"The concert hall was packed and the audience was not hesitant to show their Appreciation. Many standing ovations during the concert and a LONG standing ovation that brought Jackie out for an encore of O Mio Babbino Caro. When she finished the audience erupted into thunderous applause, everyone on their feet clapping, shouting and whistling."

"I have been following Jackie's career since she appeared on America's Got Talent in August of 2010. What she has accomplished since then is staggering. To be able to watch her develop as an artist as she grows up is something that the world has rarely seen before. The concert was over but the memory of that night will remain forever."

"I took my 10 yr old granddaughter as a surprise.
When she saw the name on the marquee she was thrilled....
when we got seated in the upper balcony she never took her binoculars from her eyes.

Jackie was splendid, her performance was superb & so humble & sweet.
Favorite moment: Her giggles as people clapped after each song"

"She caused goose bumps with a rendition of "Music of the Night" from the "Phantom of the Opera", her favorite song. It also turned out to be the crowd's favorite, as they gave her a rousing standing ovation."

"After every song, a young boy about her age stood to show his appreciation and at one point made a heart sign with his hands to show his affection."

"Jackie, with her blonde hair pinned up and matching curled locks shaping her face, showed her sweetness, dedicating "Reflection" from "Mulan" to her mother."
"She let me be who I wanted to be and let me choose my own career path".

The Sandy Hook Elementary School shooting - December 14 2012.

"At last night's concert Jackie dedicated The Lord's Prayer to honor the lost lives and invited the audience to join her in singing it."

"I'm quite sure Jackie is suffering from the sadness we all are experiencing from this tragic event so it must have taken a lot of courage to open her heart and expose her feelings as she did."
